Course Information & Joining Instructions

We look forward to welcoming you on to our course. We hope that the following information will be helpful to you with your planning.

Joining Location

Our boats are moored in Marina Bay, pier 3. It is possible to either walk to Marina Bay (approximately 10 minutes) or catch a taxi from opposite the airport. If you decide to walk then turn left out of the airport and walk across the runway. After the garage, at the roundabout, take an immediate right and walk down this road for 5 minutes. After the small BMW show room take a right into Marina Bay (currently building works taking place). With your back to the restaurants, our boats can be found on the left hand side of the first pontoon on the right.

It would be really helpful if you could let us know which flight you are on. We are generally around the boats from 5.30pm on the Sunday afternoon but you are very welcome to drop your bags on either boat if you arrive before then. We will allocate cabins at 6pm

Flight information to Gibraltar

There are many different airlines that fly into Malaga at competitive prices. It is possible to travel by bus to La Linea or taxis are also available on arrival outside the terminal costing circa 150 Euros.

On arrival in Gibraltar, taxis are available from the frontier / airport. Ask for Marina Bay and the cost is circa £4.

Car hire in Gibraltar

Avis – 00 350 200 75552 / avis@gibnet.gi

Budget Rent A Car – 00 350 200 79666 / www.budgetgibraltar.com / info@budgetgibraltar.com

Hertz Rent A Car – 00 350 200 42737

It is usually possible to arrange to collect your car from the airport.

You can also arrange for a hire car at Malaga Airport, either through prior booking e.g. through the Internet or else on arrival.

Taxis

You cannot hail a taxi in Gibraltar, you either get one from a taxi stand – on the road between the Frontier and the Airport, on Casemates Hill at Casemates Square, at Cathedral Square by the C of E Cathedral, beside John Mackintosh Square along Main Street near the RC Cathedral, by the Trafalgar Cemetery at the South end of Main Street through Southport Gates – or you telephone 00 350 200 70027

Clothing

You will be provided with a life jacket and safety harness.

Bring appropriate clothing with you for the season. In the summer it is advisable to bring a fleece as it can get chilly at night at sea.

Please refer to our checklist 'What to bring'.

You will need deck shoes or non-marking (white-sole) trainers. No high heels are allowed onboard.

Do remember that you will need to bring your sunglasses, sun block and hat or other head gear. These are necessary whenever the sun shines – even in the winter!

Luggage

For residential courses please do not pack your belongings in hard suitcases or in bags with wheels as these damage the deck and are difficult to stow away.

Course Information & Joining Instructions

Money

In Gibraltar the pound is on a par to GBP – so UK coins and notes can be used. (Try not to take Gibraltar notes back to the UK with you, as shops in the UK will not accept them and Banks may charge to exchange them.)

As you will also be visiting Spain and Morocco, you will need Euros in Spain and Dirhams in Morocco. You may wish to exchange your money in Gibraltar as the exchange rate is usually better than in the UK. Credit cards can be used in all three countries. Remember that prior to starting the course, non EU citizens may be required to obtain a Visa for entry into Morocco.

Medication

You are asked to bring with you your own preferred 'homely' remedies for sea sickness, sun protection, headaches, general aches and pains etc. Do remember also to bring any prescription medicines that you take.

In addition to tablets for sea sickness, ginger, and pressure point wrist bands have been found to be helpful to some people.

Music

Please do bring with you your favourite CDs, as the Instructors do get fed up with their own collections!

Duty free

It is usually cheaper to buy duty free goods in Gibraltar. There are many shops, particularly down Main Street where you can buy alcohol, perfume and cosmetics, tobacco, cameras, watches etc. However, as Gibraltar is not in the Customs Union, you are limited in the amount of duty free goods you can take out, whether by air from Gibraltar or across the land frontier into Spain.

Tourist attractions in Gibraltar

Whether you want to spend a few days exploring Gibraltar, or whether your family come with you and stay on 'dry land', there are a variety of activities you can undertake –

- Take the Cable Car from Alameda Gardens to the Apes Den at the top of the Rock
- Go on a Rock Tour in a taxi to the top of the Rock to visit St Michael's Cave, the Siege Tunnels, Moorish Castle and to see the Apes (actually Barbary Macaque monkeys)
- See the Dolphins – there are at least three different types of boats based in Marina Bay which take visitors out into the Bay
- Go to the Beach – on the East side of the Rock at Eastern Beach, Catalan Bay and Sandy Bay, on the West side Rosia Bay, Camp Bay, Little Bay and Western Beach (do choose the side away from the direction the wind is blowing!)
- Visit the Trafalgar Cemetery through Southport Gates at the far end of Main Street
- Take a walk through the Alameda Gardens
- Visit the 100 Ton Gun on Rosia Road
- Go to Europa Point and the Shrine of Our Lady of Europe
- Visit the Museum in Bomb House Lane
- Watch the Guard Change at the Convent – the Governor's residence at the South end of Main Street
- Sample a drink or two in a bar on either of the Marinas (Marina Bay and Queensway Quay), in Casemates Square or down Main Street and watch the world go by
- And of course, go shopping down Main Street and in the side streets off it
(take care though, as the UK shops – M&S, BHS, Mothercare etc. - usually charge more for their goods than in the UK)

For further assistance, there are Tourist Information Offices in Casemates Square and at Duke of Kent House (beside the Children's playground and the Church of England Cathedral)
